WALKING

WESTERN CANADA BAPTIST FELLOWSHIP

LADIES' RETREAT

APRIL 24-25

The very first words spoken in the Bible tells us that God created light to fill the void of darkness. Light seems to be pretty important since God chose to create it on the first day in history. It pleased the Lord so much that He called the light "good." Ever since the beginning, God has wanted His light to go forth. There came a day that He sent His Son to be the light of the world. Unfortunately, our world is still in moral darkness. We, as Christians, are called to be light bearers. The more we know Christ, the more light we can have for our own lives and to share with others.

Jesus said, "I am the *light* of the world. He who follows Me shall not walk in darkness, but have the *light* of life." John 8:12

Join us as we look to Jesus and His calling for us to shine brightly in this dark world.

WALKING in the *Light*

WESTERN CANADA BAPTIST FELLOWSHIP LADIES' RETREAT

OUR SPEAKER

Donna Williams received the *Light* of Christ as a teenager and has served in ministry walking in that *Light* for nearly a half century. She has taught ladies' Sunday classes and Bible studies for many years.

Donna and her husband Matt have five children who are all married and serve in ministry. She also is glad to be called Granna to nineteen grandchildren (#19 arriving in April). She enjoys traveling with her husband for ministry trips and makes it a point to visit her grandkids in two states, five cities and one grand country of Canada. Donna has developed a heart for people and loves to reach out to those who need encouragement and discipleship. In fact, she can easily make friends with strangers if you give her a few minutes. Donna's love for the Lord and down to earth demeanour is sure to be a challenge and a blessing at this year's ladies' retreat. We hope you make plans to join us for this special event.
